## **Valley View Road Reconstruction Project**

Dear Resident:

### **Storm Sewer Construction**

Valley View Road will be closed after 9 a.m. Friday, May 15 and Monday, May 18 to place a 36-inch storm sewer pipe. The contractor will limit the closure to the areas in which they are working. Portions of Sally Lane will close as the contractor works from the south to the north towards Paiute Pass. Sally Lane will close to thru traffic beginning on Tuesday, May 19. Access will be maintained from the north throughout the project. The project team will communicate with Sally Lane residents throughout the project to ensure adequate notification regarding limited access to Sally Lane.

### **Detour**

The detour for Sally Lane and Valley View Road will be signed during the closure periods. Please note that the detour for Sally Lane and Valley View Road are not on the same route.

### **Special Events or Access Needs**

Please call me if you have any special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

### **Who to contact with Questions or Concerns**

Please call me at 763-287-7149 or emails me at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com) to discuss any concerns or questions you might have regarding the project. You can also contact the project inspector, Kris Kemp at 612-214-2855

For more information on this project, visit [www.EdinaMN.gov/valleyviewroad](http://www.EdinaMN.gov/valleyviewroad). Please encourage your neighbors to sign us for City Extra as this will be our primary means of communication throughout the project at [www.EdinaMN.gov/cityextra](http://www.EdinaMN.gov/cityextra).

### **Safety**

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are often fascinated with construction equipment, so please keep them away from the construction area. Expect delays and travel safely through the construction zone.

### **Who to Contact in an Emergency**

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE  
Project Manager  
WSB & Associates, Inc.
